SECOND REQUEST FOR STATUS

Please advise the status of the above-identified patent application. The Filing Receipt was mailed February 12, 2002. Applicants currently await a first Office Action.

Applicants filed a Request for Status on November 6, 2003. Applicants received a response from the U.S. Patent and Trademark Office dated April 23, 2004, stating that the application would be examined in approximately 16 to 19 months. Because it has been 23 months since that response, we hereby request a new status report from the U.S. Patent and Trademark Office.

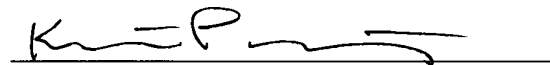

REMARKS

Under 37 C.F.R. § 1.702(a)(1), it has been over fourteen months since the filing date of this Application and a Notification under 35 U.S.C. § 132 has not been received. Thus, a period of adjustment of patent term due to examination delay is accruing in accordance with 37 C.F.R. § 1.703(a)(1).

If there are any matters that can be cleared up through a telephone conversation, please contact the undersigned attorney for Applicants at the telephone number listed below.

Respectfully submitted,
